It is our pleasure to welcome you to Thomas Jefferson Middle School. Our aim is to foster academic excellence. We provide a caring, nurturing community in which all students can feel supported and safe emotionally and physically. We believe that students are at the center of learning and we strive to challenge our students academically. We create an environment of academic excellence by using a variety of instructional strategies and activities to address the varied learning strengths of our students. Our dedicated staff works very hard to meet the individual needs of all students, and maintain personal relationships with our families.

School Principal: Issac Kirkwood

Equity Vision

Jefferson is a collaborative learning environment that values student success through setting high educational standards and positive relationships for ALL students, while creating a welcoming community that engages, empowers, respects, and supports ALL families.

Strengths

Jefferson has many strengths. Students overwhelmingly feel they are a part of our school community and that their teachers care about them. 80% of parents stated that their child(ren) feels a sense of belonging at Jefferson Middle School. We have worked hard to include student voice into our school decisions. Students and teachers have strong relationships.

Progress

This year, we were able to implement Restorative Justices. Restorative practices are integrated within our behavior response system and the process embodies a restorative approach. We are working hard to develop systems to support and respond to students.

Area for Growth

In the upcoming year we will continue to work on literacy as our content focus for our School Improvement Plan. We will continue to support teachers in teacher teams.

Vision Connection

Jefferson is working to ensure that all students are college, career, and community ready. Teachers will intentionally plan how to use empowering language and positive, affirming structures in order to acknowledge all students. All students are valued and welcomed in the classroom. Jefferson students will leave to Memorial with a growth mindset and a vision for their future.
