

School Profile: Jefferson Middle School

Introduction

It is our pleasure to welcome you to Thomas Jefferson Middle School. We provide a caring, nurturing community in which all students can feel supported and safe emotionally and physically. We believe that students are at the center of learning and we strive to challenge our students academically. We create an environment of academic excellence by using a variety of instructional strategies and activities to address the varied learning strengths of our students. Our dedicated staff works very hard to meet the individual needs of all students and maintain personal relationships with our families.

Strengths

Jefferson has many strengths. Students overwhelmingly feel that they are a part of our school community and that their teachers care about them. 84% of parents felt that their relationship with the school was positive. We have worked hard to include student voice into our school decisions. Students and teachers have strong relationships.

Progress

This past year, we saw growth for many of our students. Specifically, we saw a significant increase in the number of special education students who reached their math and reading growth goals. We are working hard to develop systems to support and respond to students. Students and teachers saw progress with our new math material.

Areas for Growth

In the upcoming year we will continue to work to ensure that all students have their social and emotional needs met and that we adhere to the policies in the BEP. We will continue to support teachers in teacher teams.

Vision Connection

Jefferson is working to ensure that all students are college, career and community ready. Specifically, Jefferson students will leave to Memorial with a growth mindset and a vision for their future.

School Principal: Issac Kirkwood

Demographics

Strategic Framework Goal #1 Milestones: On-Track to Graduate

Each bar shows the percent of students meeting the relevant metric overall and for the focus groups the school selected on their School Improvement Plan (SIP, when applicable).

MAP includes Grades 6-8. MAP Growth is based on the percent of students meeting typical Fall to Spring growth targets.

Strategic Framework Goal #2 Milestones: Challenging and Well-Rounded Education

Each bar shows the percent of students meeting the relevant metric overall and for SIP focus groups (when applicable). "No Goal" within bar indicates that the school chose not to set a goal for this metric (schools choose only one goal-setting metric for Goal #2).

Participation rates are based on transcribed courses.

Strategic Framework Goal #3 Milestones: Positive Climate

The table below shows the percent of responses within each dimension and group that were positive.
